Monte Vista High School — **Danville, CA**
High School Diploma — *Graduated Jun 2024*

- **GPA:** 4.0/4.0 | **Activities:** Red Cross Blood Donor Ambassador, Key Club, Habitats for Humanity, Varsity Volleyball, Badminton

Professional Experience

Livegage — **New York, NY**
Business Analyst Intern — *Jun 2026 - Aug 2026*

- Engineered a mortgage cashflow engine modeling paydown, prepayment, defaults, valuation, and waterfalls across 100s of scenarios
- Scoped, created, and shipped an end-to-end credit enhancement model, calibrated against 50 real deals and deployed as a service
- Integrated both tools into Livegage's INSAITS, connecting mortgage analytics with the interface to create a complete user workflow

CoreWeave — **New York, NY**
Product Management Intern — *Jan 2026 - May 2026*

- Conducted 20 customer interviews across 4 AI-native verticals, identifying needs and defining ICPs to prioritize GTM opportunities
- Partnered with Solution Architects and PMM to design 5 workflows integrating ML tooling into CoreWeave's Kubernetes ecosystem
- Authored PR/FAQ for a two-sided AI infrastructure marketplace, mapping 30 partners and 10 enterprise use cases to drive adoption

Ernst & Young — **Mumbai, India**
Summer Intern - Operational and Financial Restructuring Group — *Jun 2025 - Jul 2025*

- Identified a bottleneck in company research workflows and designed a Python automation tool that directly pulls financial data from PrivateCircle based on Excel inputs, reducing manual research time by 70%, enabling a more efficient and scalable business analysis
- Supported corporate resolution processes under the Insolvency and Bankruptcy Code by analyzing and condensing resolution plans, conducting compliance checks, and preparing 3 presentations for the Committee of Creditors to aid in distressed asset recovery
- Assisted in operational and financial restructuring efforts by evaluating asset fair and liquidation values, building financial projections, and ensuring both legal and procedural alignment with Request for Resolution Plan documentation for the SevenHills Hospital case

BTE Design Sprint: Meroo — **New York, NY**
Product Manager — *Nov 2024 - Nov 2024*

- Partnered with the founder to expand the app's audience, adapting the product experience for users at three different career stages
- Applied design thinking to identify user pain points, rapidly iterated on solutions, and delivered a more engaging and inclusive UX
- Pitched product recommendations to Meroo's founder against two competing teams, gaining direct feedback on product direction

Leadership & Extracurricular Activities

Uber Case Competition — **New York, NY**
Strategy Consultant — *Mar 2026 - Apr 2026*

- Won 1st place by developing an AV expansion strategy for Uber, recommending a phased Atlanta launch leveraging Rivian's R2 fleet
- Analyzed demand, infrastructure, competitive landscape, and EV ecosystem to identify high-utilization corridors and a path to scale
- Built a model comparing fleet structures, projecting 80% higher revenue per trip and $45M EBITDA from a 400-vehicle Rivian fleet

Business, Technology, and Entrepreneurship Leadership — **New York, NY**
President — *May 2025 - May 2026*

- Led a 9-member executive board to oversee strategy, budgeting, and outreach, enhancing event quality and communicative efficiency
- Planned and executed 20 social and professional events, engaging 20+ attendees per event, including three with over 60 participants
- Sourced 17 speakers via outreach to over 150 professionals across VC, PE, and consumer, including Mike Pell, inventor of the PDF

Visarjan Ashram — **Indore, India**
Lead Fundraiser/Volunteer — *Jun 2017 – Jul 2024*

- Taught English and public speaking to 20+ underprivileged children, encouraging communication and building lifetime confidence
- Reached out to three software development companies in Indore to allocate CSR funds to support educational technology initiatives
- Adapted teaching methods to overcome language barriers, ensuring a fun, inclusive, and engaging learning environment for students
